

You Can Help

You can be an important part of the continued success of the NCNGA Educational Foundation. Contributions are a valuable source of funding for the Scholarship Program.

All donations are applied to the General Fund, a Special/Memorial Scholarship Fund or the Endowment Fund. Your contribution may be applied to the scholarship of your choice.

By giving a gift in memory or in honor of an individual, your contribution can be a lasting memorial or tribute. Acknowledgements are promptly made to the family or individual of your choice.

Individuals, families or groups can also establish Special/Memorial Scholarships within this Foundation. Please contact the Foundation office for further information.

The Foundation sponsors an annual statewide fund-raising campaign. Fund-raising events are also held by National Guard units, auxiliaries and chapters. Special events are excellent opportunities to get involved in raising funds for the Foundation.

Your support of the NCNGA Educational Foundation helps students reach their educational goals. The amount of money the Foundation awards in scholarships each year is in direct proportion to the amount of money received from contributions and fund-raising events.

YOUR support does make a difference!

I would like to help make a difference.

Enclosed is my contribution to the NCNGA Educational Foundation in the amount of \$_____
